**Week 1 -- Everyone Belongs**

Today is the beginning of a 4 week series called  
"Community - Church At Its Best".

Paul describes the church as a body.

We are all different, yet we are united in Christ.

So what does it mean to be a community of believers?

What does it mean to be the body of Christ?

That's what we'll discuss the next four weeks.

>> 1 Corinthians 12:12-27

1. Faith is best \_\_\_\_\_ in  
community.
2. When Church is at its best, everyone \_\_\_\_\_.
3. Everybody is \_\_\_\_\_ in the body of Christ.
4. Everyone has a \_\_\_\_\_.

**LIFE GROUPS: Sunday, September 9**  
Check with your groups leader for time and  
location of your meeting  
**Group meeting at 6 pm at Regency**

**LIFEGROUP QUESTIONS:**

1. Discuss a time you felt like you didn't belong. Maybe it was in school, on a team, in a restaurant, or even at a church. Why did you feel like you didn't belong?
2. First time guests will make a decision within 3 minutes of walking through the doors of the church as to whether or not Regency is a welcoming place. What are some things that we can do to help someone feel welcomed and to feel like they belong?
3. What role do you think LifeGroups can play in helping others feel like they belong at Regency?
4. Read Acts 2:42-47. Why do you think the church grew so much? What are some things we can learn from them?
5. This morning we announced GO Day on Sunday, September 30th. We want each LifeGroup to plan a service project that will impact the community or some of our elderly at Regency. Please spend time discussing ideas and decide on what your LifeGroup will do on GO Day.
